Dear Irrigation Grandfathered Right Owner:

Enclosed is your Annual Water Withdrawal and Use Report form for calendar year 2005. This form is printed on the reverse side of this letter. This report form is for those irrigation rights receiving district deliveries as their sole source of water. The Department has preprinted certain information from our records onto this form. If any of the preprinted information is incorrect, please make the necessary changes. Note that a separate annual report must be filed for each right you own or lease.

The Groundwater Code requires that each person who owns or leases a right to withdraw, receive or use groundwater in an Active Management Area must file an annual report, even if no groundwater was used. [Persons who did not receive water during 2005 are required to return the form\(s\) with zeros in the appropriate blanks and sign and date the summary page.](#)

Reports must be received by the Department or postmarked no later than March 31, 2006.

The penalty for filing late is \$25.00 per month or part of a month that the report is late up to \$150.00. In addition, after six months, the Department may take further enforcement action for failure to file an annual report, including seeking civil penalties in an amount not less than \$250.00.

Irrigation districts may choose to file on behalf of their irrigation grandfathered right holders. You should contact your irrigation district directly in order to verify if the district is filing on your behalf. If the district does not file on your behalf, you are responsible for the water use reporting requirement.

If your water right has been sold, both the buyer and seller are responsible for notifying the Department of the conveyance. The owner and/or lessee of the right as of December 31, 2005 is responsible for filing an annual report covering the entire calendar year. Please contact your AMA office for conveyance forms and instructions.

We have tried to provide you with the proper form(s) according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You should copy this report for your records.

If you need help or have questions, contact your AMA office listed at the top of your report form.

Sincerely,

Sandra Fabritz-Whitney
Assistant Director
Water Management Division
